## Examples of Valid Projects:

- Assisting a nonprofit with building improvements or new initiatives.
- Developing a new community park or enhancing existing park facilities.
- Implementing city beautification projects, such as mural painting, community gardens, or city signage.
- Supporting schools with initiatives like playground equipment or other facility improvements.

---

This application form is designed to capture detailed information about community-benefiting projects proposed by non-profits, the Chamber of Commerce, government entities, local schools, universities, or other organizations. We understand that you may not have all of the information requested in the application; please fill out as much as you can. The goal is to ensure that each project aligns with the mission of the Leadership Magnolia initiative and brings significant value to the community. Proposed projects must be completed before the conclusion of the Leadership Magnolia year in May. **Participants of Leadership Magnolia are required to dedicate at least one workday to actively contribute to the organization or project.** Please note that organizations or project locations that have previously been selected must wait a minimum of 5 years before submitting a new proposal. This policy ensures a diverse range of organizations and locations receive support.
