

Dear Chamber Partner,

The Magnolia-Columbia County Chamber of Commerce strives every year to partner and develop new ideas, programs, and events to not only bring the businesses together, but also the community.

This investment will cover your membership for the entirety of 2023.

Your continued support to the Chamber enables us to:

- Stimulate the local economy through programs, events, and services, including networking
- opportunities. Advocate for business by promoting a pro-business climate through online communication and our referral program.
- Spotlight local businesses and gain visibility for our community.
- Provide timely communications about issues that impact local businesses.
- Provide resources such as our online membership directory, Magnolia Living Guide, and various advertising opportunities.

Our mission, first and foremost, is to always provide unparalleled support and work with our members to come up with the best strategies to offer the most support and strengthen our community.

We are working diligently to come up with unique ways to support our members in a way that encourages growth, stability, and longevity. In 2023, we plan to roll out a business after-hours networking event to bring our businesses together in a way that will encourage relationship building and a sense of community. We are also inviting students from Southern Arkansas University to join us to help them network with potential future employers. We hope that you will attend so that you are able to build these valuable relationships with fellow professionals and students.

Being a Chamber member has many positive impacts on your business, the membership door sticker shows customers that you care about the future of Columbia County and want to help see it grow; you are listed in our annual relocation publication guide, Magnolia Living, which is distributed throughout the community and to new members of our community; our weekly newsletter gives you a place to advertise upcoming events or promotions within your business or organization; use of our meeting room twice a month.

We work hard for the good of your business each day. Thank you for the difference you make by being a Chamber member! Our organization is strong because of you. Together we will tackle this challenge and whatever the future may bring, while ensuring not only that our community will get through this but will thrive and be stronger and better together!

We look forward to our continued partnership. If there are additional ways we can help your business during this time, please contact Rachel Jenkins rj@ccalliance.us. We appreciate your continued support.

Sincerely,

Rachel Jenkins
